

Greetings Nobles & Ladies

I want to wish everyone a Happy New Year and hope your 2020 will be a great one. As you know our new President Noble George Thompson has some great ideas for outings this year. He will be sharing some of them with us and of course, if you have an idea, let us know.

We'll also need to do a fundraiser this year, so if you have some ideas for this, let us know. Remember this is your club and we have to work together to keep it fun and moving forward.

The January meeting is set for the 27th at the Blue Springs Elks Lodge. This month Noble Bill will be providing chicken fried steak, mashed potatoes, and green beans. Club Members with the last name beginning with the letters M-Z should bring a side dish or dessert. Don't forget to RSVP at www.bluespringsshineclub.org under events or call Lady Gail Gargotta at 816-228-2401 and let her know if you're coming. We must give Noble Bill a count, so he doesn't overcook.

Funny!

The parody Twitter account @boredElonMusk figured that if Musk could cofound PayPal and also develop the Tesla electric automobile, he might invent these next:

- A TV that gets louder to compensate for when you are chewing.
- An indoor trash bin that keeps getting taller until someone finally decides to take the garbage out.
- Eye-tracking software that will not allow you to share a link on Twitter or Facebook until you've read 70 percent of the article.
